A. Classes, credits, and exams:

1. All courses are compulsory, except only *are electives. All courses are very basic. There is total 72 credits. 60 credits are necessary to graduate.

Above 60% is necessary to pass every exam. You will allow to give one more re-exam if you are failed. Exams will be through online Testmoz. You will allow to give re-exam if you get problem with internet or electricity during your exam. But you should inform us within 12hrs.

If you want to give exams offline, then we will submit exam paper through email in pdf file, but you need to give exam in the presence of your guardian or pastor. You can write answers on paper and scan or take picture and submit to us within 24 hrs.

2. There will be four semesters for this program. Each semester is designed for 3 months.
3. Each video classes will long for about 20-25 minutes.
4. There will be 52 classes every subject. Which includes: 1 Introduction class, 45 lecture class, 3 revisions before exams and 3 exams for each subject. Total 52 classes. That will be about 22hrs maximum for one subject. That will be 264hrs for all compulsory lessons.
5. There will be total 3 exams for every subject. (See further rule no.7)
6. Classes are designed as weekly 4 days basis. Saturday, Sunday, and Wednesday are off. Right now, we are conducting associated level classes through zoom. Therefore, you have to join on time as classes are scheduled.

Although in near future you can go with your own pace after we start to upload video classes. That means if you want to do the classes 7 days a week, that is fine, but you cannot finish your semester before 52 days. If we found that you are going too fast, we will understand you are not taking classes and we will hold you for 1 month.

7. There will be total 3 exams for every subject. First exam will be after 15 lectures (chapters), second exam will be after 30 lectures and third exam will be after 45 lectures. Please see below:
