## A. Classes, credits, and exams:

1. We offered you total 180 credits.
2. All courses are compulsory, except only \* are electives.
3. You can select elective subjects as you like but make sure that you need to get at least 11 credits in each semester.
4. Need minimum 132 credits to graduate.
5. Above 70% is necessary to pass every exam.
6. If you want to take all subjects or want to get more than 132 credits, you are welcome to do that.
7. There will be 12 semesters for this program. Each semester is designed for 3 months.
8. Each video class will last for about 20-30 minutes.
9. There will be 65 classes every subject. Which includes: 1 Introduction class, 58 lecture classes, 3 revisions before exams and 3 exams for each subject. Total 65 classes. That will be about 32.5hrs maximum for one subject.
5. There will be total 3 exams for every subject. (See further rule no.9)
6. Classes are designed as weekly 5 days basis. Saturday, and Sunday are off. All classes will be through videos. You just need to play videos.
7. If you want to do the classes 7 days a week, that is fine, but you cannot finish each semester before 65 days or 2 months. If we found that you are going too fast, we will understand you are not taking classes and we will hold you for 1 month.
8. All your exams will be through online. We will arrange and setup your exam platform. We will give you all details. We will allow you to give one more re-exam if you are failed.

Note: If you want to give exams offline, then we will submit exam paper through email in pdf file, but you need to give exam in the presence of your guardian or pastor. You can write answers on paper and scan or take picture and submit to us within 24 hrs. But there should be a good reason for you not to take online exams.

9. There will be total 3 exams for every subject. First exam will be after 19 lectures (chapters), second exam will be after 38 lectures and third exam will be after 57 lectures. Please see below:

The following structure is for 1 semester, 1 subject. All 12 semesters will go accordingly.
